

Kaleidoscope Festival

Celebrating cultural diversity in Welwyn Hatfield

Saturday, 18th July 2009

07 January 2009

Call for Volunteers for Kaleidoscope Festival 2009!

Welwyn Hatfield Ethnic Minority (WHEM) Group is, once again, pleased to be organising Kaleidoscope Festival. The festival is a community event organised by the Group for the benefit of the people of Welwyn Hatfield and the surrounding areas. The purpose of this event is to provide an opportunity for local people from diverse backgrounds to come together and celebrate the area's rich cultural diversity. The 2009 event takes place in Stanborough Park, Welwyn Garden City, on Saturday, 18th July.

As a small charity, WHEM Group is only able to host the festival and maintain its success due to the generous support of the local community. This ranges from the generous sponsorship, donations and support in-kind from voluntary, private and public organisations in the area, the commitment and dedication of members of the planning committee as well as the volunteers on the day.

We are, once again, seeking the support of individual members of our community to help as volunteers on the day. As a community event, we rely on the generous assistance of members of the local community, other charities, public authorities and private companies.

Whether you have specific skills or just a few hours to spare, please get in touch. We have a wide variety of duties that need to be covered on the day, ranging from helping lay out the marquees, assisting exhibitors and stallholders, handing out the event's programme or just keeping an eye out to ensure things are running smoothly! We do not mind if you are only able to volunteer for a few hours on the day, especially because we need cover from 7:00 am – 8:00 pm!

If you can help us, please complete the attached pro-forma form and return it to us. Once we receive your completed form, we will be in touch with more details about arrangements on the day. Please feel free to share the volunteering opportunity with friends, family and colleagues as, the more people we have on board, the better! If you have any questions or need more information, please do not hesitate to get in touch.

Best wishes for now and kind regards,
